

## Premium Protection Plan

AshleyFurniture.com

Furniture • Adjustable Mattress Bases • Outdoor

Relax... it's covered™

## Ashley HomeStore's Premium Protection Plan provides:

### Automatic Registration

No forms to mail. No numbers to call. You are automatically registered at the time of purchase and are eligible to receive immediate coverage.

### On-The-Spot Assistance

Sometimes tough stains just need a little TLC. Our knowledgeable specialists can provide expert tips that might just resolve your issue right away.

### Expert In-Home Service

Need more than a little elbow grease? Our professional craftsmen will visit your home to perform specialized cleaning or repair.

### Product Replacement

In the event that we're not able to clean or repair your furniture, you'll receive a replacement. It's that simple.

Life can be stressful,  
**making a claim isn't.**

# Facts About Our Provider GBS Enterprises™

- We've been in business since 1988.
- GBS' Peace of Mind Program is underwritten and insured by a U.S. based "A" rated insurance carrier.
- We over-staff our Call Center to provide industry leading speed of answer and less than 1% abandon rate.
- We continuously monitor and train our Customer Service Reps to ensure you receive an outstanding customer service experience.
- You have 30 days after discovery to report the accident.
- You are eligible for multiple services during the 5-year term of the Peace of Mind Program and a one-time replacement.
- This is not a cleaning contract. Call GBS to get a recommended upholstery cleaner in your area.
- Accumulation is the #1 reason for denial.  
**Please call GBS with every incident.**

Freedom to live your  
life **worry-free.**

Please read your plan for complete details. In cases where there is a discrepancy between the document and the plan, the plan will govern.

# Accidents Happen Protect Your Investment

## What is Covered

### ACCIDENTAL:

- Stains – human and pet bodily fluids, and dye transfer
- Water or beverage marks or rings
- Rips, tears, punctures, burns and singe marks
- Scratches and gouges that penetrate the finish of wood, metal and hard surfaces
- Chipping or breakage of glass or mirrors

Loss of silvering on mirrors

Checking, cracking, bubbling and peeling of the finish on case goods or lifting of veneers

Failure of motors and associated components, such as mechanisms, wires and switches (upon expiration of Manufacturer's Warranty), including parts and labor

Breakage of mechanisms (indoor furniture only), including parts and labor

Fading from the sun on indoor wood furniture

## What's Not Covered

General soiling or accumulated stains that were never claimed or that cannot be attributed to a single occurrence.

Stains or damage from mildew, mold, acid, bleach, rust, corrosion or odors

Damage from teeth, beaks and claws from an animal or bird.

"As is", "pre-owned" rental or commercial use.

Stains or damage caused by transit, delivery, assembly or movement between residences (customer moving between residences).

Loss of foam resiliency, pilling or fraying of upholstery.

Fading, color loss and/or discoloration of upholstered furniture.

Damage caused by improper cleaning methods.

Cracking or peeling of leather, vinyl, bonded or bi-cast.

Damage due to acts of god, theft, negligence, riot or any other peril.

Outdoor fire pits, heaters and umbrellas

Accessories or throw pillows sold with sofas and loveseats.

## Premium Protection for worry-free living

Kids color on dining room tables. Dogs make a mess on sofa cushions. Nail polish spills and glass breaks. **Life happens and so do accidents.**
